EDUCATION

University of Arizona

Tucson, Arizona

Bachelor of Science in Computer Science

August 2023 — May 2026

- Relevant Coursework: CSc 452 Compilers, CSc 460 Database Design, CSc 445 Algorithms, CSc 425 Computer Networking, CSc 346 Cloud Computing, CSc 352 Systems Programming & UNIX

South Puget Sound Community College

Olympia, Washington

Associate of Arts

September 2021 — May 2023

WORK EXPERIENCE

Software Engineer (Web)

January 2021 — Present

Sound Psychiatric Services

Olympia, Washington

- Deployed and maintained production websites, handling hosting, updates, backups, and long-term maintenance.
- Migrated legacy systems to modern stacks with improved reliability and security posture.

Undergraduate Teaching Assistant (CSc 346 Cloud Computing)

January 2025 — May 2025

University of Arizona

Tucson, Arizona

- Assisted students with Linux-based cloud VMs, web servers, networking, and deployment issues.
- Troubleshoot configuration errors and documented common failure modes and resolutions.

PROJECTS

Maintainer, Procedurally Generated DOOM-style Raycasting FPS

January 2026 — Present

Collaborator, Multivariate Urban Crime Data Analysis - Tucson, Arizona

March 2025 — May 2025

EXTRACURRICULAR ACTIVITIES

FIRST Robotics Competition team 4450 (Safety Captait)

September 2021 — June 2023

- Led safety operations for a competitive engineering team, enforcing shop, electrical, and tooling safety standards across mechanical, electrical, and software work under strict build and competition deadlines.
- Jointly planned and executed an international outreach program, coordinating safety planning and risk mitigation for a \$60,000 fundraising effort supporting travel of 17 students and delivery of metal-based FTC robotics kits to Cairo, Egypt, enabling hands-on robotics education in a resource-constrained environment.

Google Developer Student Club

August 2023 — May 2026

HackAZ 2026

April 25th — April 26th 2026

SKILLS

Languages: C/C++, Java, Python, Odin

Tools: Git/GitHub, Docker, VMware/KVM, GDB, Valgrind, SSH
